Collect Money

Sign up participants can pay for items with a credit or debit card. The money will be deposited into your bank account.

Fees

Fees are charged to participants only. For each transaction, they will pay a convenience fee equal to 5% of the purchase plus \$0.50.

Example: For a \$20 shirt, the purchaser will pay \$21.50 total (\$20 + 5% + \$0.50).

Don't Just Take Our Word for It

SignUpGenius has made my volunteer job so much easier! No more paper sign ups to manage or running around with paper in hand trying to get people to sign up! SUG automatically sends reminders and allows people to sign up at their convenience! And now, I can even collect coaches' gifts, donations and pizza money!

I have found this tool so helpful in not only setting up volunteers, but also collecting fees for workshops.
