

Calling all Teens!

You are invited to participate in the 2019 Labor Day Used Book Sale sponsored by the Friends of the Temple Public Library. Not only can you make a difference through a few hours of community service but you may find some treasures among the thousands of books and media offered.

Hours are Saturday, August 25th 10am – 2pm and August 31st 10am-5pm on the 3rd floor of the Temple Public Library. Open the Teen Volunteer Responsibilities link to see what you may be interested in volunteering for and click on the SIGN-UP button to schedule your times.

We appreciate your energy and fresh perspectives and look forward to seeing you on either or both Saturdays.
