Release from Liability

I understand that I am volunteering with Esperança. I understand that as a volunteer, I may be involved in physical activities where I could potentially be injured. I agree that I will only do all activities that I feel comfortable doing.

I hereby release Esperança, its community service partners, directors, employees, and volunteers from any claim, demand or cause of action that may be asserted by or on behalf of me as a result of my volunteering for activities through Esperança. I agree to be responsible for my behavior and to indemnify and hold harmless Esperança; its community service partners, employees, and volunteers from any damages or liabilities arising out of my activities as a volunteer through Esperança.

I grant Esperança the right to use photographs, video, and audio recordings of me made while volunteering.

COVID Assumption of Risk

I affirm and attest that I am not currently or have not exhibited within the last 72-hours COVID-19 related symptoms, such as sore throat, cough, shortness of breath, and/or fever, nor have I been exposed to individuals exhibiting the same. I am further aware and affirm that Esperança cannot prevent the possibility of exposure to COVID-19 at its facility. Esperança will practice CDC recommended social distancing and enforce that all volunteers wear a mask. Temperatures will be taken and hand sanitizers will be provided upon arrival. I am aware and affirm that volunteering at Esperança involves risk of exposure from staff and other volunteers. **I affirm that this waiver, in its entirety, includes any and all liability or claim that I, the volunteer may have against the Esperança, with respect to any exposure I may have to COVID-19 as a volunteer.**
