The Texas Immunization Registry (ImmTrac2) is a free service of the Texas Department of State Health Services (DSHS). The immunization registry is a secure and confidential service that consolidates immunization records for public health purposes (e.g., giving all doctors treating a patient a central place to see that patient's immunization records). With your consent, your immunization information will be included in ImmTrac2. For a family member younger than 18 years of age, a parent, legal guardian, or managing conservator may grant consent for participation for that minor by completing the ImmTrac2 Minor Consent Form (# C-7) available for downloading at www.ImmTrac.com.

Consent for Registration and Release of Immunization Records to Authorized Persons / Entities

I understand that, by granting the consent below, I am authorizing release of my immunization information to DSHS and I further understand that DSHS will include this information in the Texas Immunization Registry. Once in ImmTrac2, my immunization information may by law be accessed by: a Texas physician, or other health care provider legally authorized to administer vaccines, for treatment of the individual as a patient; a Texas school in which the individual is enrolled; a Texas public health district or local health department, for public health purposes within their areas of jurisdiction; a state agency having legal custody of the individual; a payor, currently authorized by the Texas Department of Insurance to operate in Texas for immunization records relating to the specific individual covered under the payor's policy. **I understand that I may withdraw this consent at any time.**

State law permits the inclusion of immunization records for First Responders and their immediate family members (older than 18 years of age) in the Registry. A "First Responder" is defined as a public safety employee or volunteer whose duties include responding rapidly to an emergency. An "immediate family member" is defined as a parent, spouse, child, or sibling who resides in the same household as the First Responder. For a family member younger than 18 years of age, a parent, legal guardian, or managing conservator may grant consent for participation as an "ImmTrac2 child" by completing the Immunization Registry (ImmTrac2) Consent Form (# C-7).

Please mark the appropriate box to indicate whether you are a **First Responder** or an **Immediate Family Member**.

☐ I am a FIRST RESPONDER. ☐ I am an IMMEDIATE FAMILY MEMBER (older than 18 years of age) of a First Responder.

By my signature below, I GRANT consent for registration. I wish to INCLUDE my information in the Texas immunization registry.
