

# Changes to the drop-in waitlist:

- Any swimmer wishing to DROP-IN to a lap swim session will now be asked to wait in a separate line outside of the facility prior to admittance.
- After the 10 minute reservation wait period:
  - Swimmers with a reservation will be given the opportunity to switch lanes.
    - Requests for a lane switch must be made at check-in.
  - DROP-IN swimmers will have the opportunity to swim in an available lane after this process.
    - This will be done on a first-come, first-served basis.
    - Lane availability is not guaranteed.

## Swimming in the ADA access lane (Lane “C”):

- Swimmers requesting to use the 15m lane equipped with the ADA staircase are encouraged to make a reservation for any lane during their desired date and time.
- At check-in, please notify the lifeguard of your preference for this lane.
  - Priority for Lane “C” will be given to those with a lane reservation.
  - If a swimmer with a reservation does not request Lane “C” then it will be opened to DROP-IN swimmers on a first-come, first-served basis after the 10 minute wait time (based on availability).
