

## Service Reminders for Sundays

- Wear masks throughout the service.
- Refrain from singing or talking to other parishioners inside the church.
- Turn off your WIFI.
- Take a bottle of cleaner and a cloth, found in the back of the nave, to your assigned seat.
- Sit only in assigned numbered rows and only where bulletins have been placed.
- Be aware that the stream goes live at about 9:20 a.m., meaning any sounds and some movements around the nave will be broadcast.
- Wait for the vergers to usher you forward for Communion.
  - Stand to receive at the rail.
  - A wafer in a paper cup will be placed in front of you on the communion rail.
  - You may remove your mask to consume the wafer.
  - Deposit your cup in the trash can on either side of the communion rail when returning to your seat.
- Clean your area at the conclusion of the service, after priests have recessed, before exiting the pew.
  - Wait for the vergers to usher you out, beginning at the back and moving forward.
  - Leave cleaning supplies and dirty rags in the back of the nave where you picked them up.
  - Drop your bulletins in the basket near the front doors for recycling.
  - Give online through the link at [www.stbs.net](http://www.stbs.net) or leave your offering in the plate located on the credenza in the narthex.

Thanks for being flexible as we attempt to worship together safely. We are grateful to see you face to face.
