

# Birth-3K POLICIES DURING COVID-19

## WELCOMING CHILDREN

- RSVP for Nursery-3k each week. This allows us to provide a minimal contact check-in and safe ratios for all.
- Check in tags will be pre-printed for parents on Sunday morning.
- Health Screening Questions will be posted and verbally acknowledged.
- Temperature checks for children and adults before entering the building. (If a child has a temperature of 100 or higher, he/she will not be allowed to attend).
- We ask that one Adult (wearing a mask) Drop-off and Pick-up their children .
- Hand sanitizer will be available as you enter the building.
- One door will be designated for entry and one for exit. Additionally, foot traffic will flow in one direction for entry into classrooms.

## In the Classroom

- Children will be provided with their own bag of supplies each week. There will be no shared supplies.
- Hand sanitizer will be used before shared manipulatives.
- At this time no snacks will be served during Nursery. Exceptions will be made for Infants/Toddlers who need a bottle/sippy cup sent from home.
- Only toys and manipulatives that are easily cleaned will be available in the Nursery.
- Fewer toys in each room for easy cleaning, and toys will be disinfected between class times.
- All surfaces and high contact areas will be wiped down between class times.

## Staff and Volunteers

- Health Screening Questions posted and verbally acknowledged.
- Temperature checks before entering the building. (If a volunteer has a temperature of 100 or higher, he/she will not be allowed to serve).
- Masks will be required for staff and volunteers.
