VOLUNTEER OPPORTUNITIES

Outdoor Recreation offers great volunteer opportunities at our office, bike shop, ski shop, indoor climbing wall, and multiple other programs. We also have fun events and programs throughout the year when we need reliable volunteers to help us set up, run the event or program, and clean up. Some of their events or programs include ski/snowboard trips, climbing competitions, whitewater rafting trips, whitewater kayaking trips, climbing trips, hiking trips, mountain biking, etc.

Volunteering for ODR is a great way to learn more about outdoor recreation equipment and have fun in the great outdoors of New Mexico!

The Many Benefits of Volunteering with ODR

Outdoor Recreation offers great benefits to our volunteers. Some of the benefits are:

- ☑ The opportunity to go on our whitewater rafting trips, hiking trips, rock climbing trips or other outdoor adventure programs of your interest as the guide or assistant.
- ☑ Inside scoop on Rentals of outdoor equipment.
- ☑ Receive a letter of appreciation sent to your squadron informing them of the hours volunteered and the vital service performed on behalf of ODR and the USAF (upon request).
- ☑ Learn lifelong skills you can share with friends.

Outdoor Recreation isn't just the wood, glass and brick in its building...it is the people. ODR is place that is made up of people who may be staff members, college interns, volunteers, or participants. Kirtland Air Force Base has a model Outdoor Recreation Program and serves as a training facility and resource for numerous other Outdoor Adventure programs throughout the southwest.

ODR has won numerous awards for outstanding performance. Volunteers at ODR are tasked with maintaining high standards of professionalism while handling equipment, helping customers and assisting in guiding outdoor activities. Volunteers have a crucial role in helping ODR continue to build on the solid reputation that has been built over the years. Contact ODR staff if you are interested in volunteering.
