Helpful Volunteer Information

Parking Info:

- Enter through the main entrance (#3) and let them know you are a volunteer
- Parking for volunteers is located by the “West 18” light pole. You will be directed on how to drive to that area when you arrive.

Volunteer Check-in:

- Volunteers who are working their first shift need to **arrive 45 minutes ahead of their first scheduled volunteer opportunity** to receive training and their vaccine (if they choose to get a vaccine)
- The volunteer tent will be located between the “**West 18**” and “**West 12**” light pole
- When volunteers check in at the volunteer tent, each person will need to present their government issued ID.
- Please be sure to dress for appropriate weather conditions (layers, sun protection, etc.)

Clinical Volunteers:

- If you signed up for a clinical volunteer role, **please bring a copy of your active license**
