To our local community-minded businesses:

HST Cultural Arts, Inc. invites you to partner with us as we celebrate our 25th anniversary! HST is a 501(c)(3) non-profit which boasts a broad array of programming, including acting, dance, vocal, tech, and make-up classes for students in grades 4-12. We also offer two choirs (A Cappella and Broadway), a theatricals program and two middle and high school troupes. In the spring our Theatricals group performs for several senior centers and hosts an interactive improv performance at our Coffeehouse. These community events are followed by five fully staged productions! In total, our 13 performances have an audience capacity of 5,000 community patrons.

As our thanks for your support, we list all business donors in our program so that our participants and patrons can recognize your commitment to youth development and the arts in your community.

HST operates on a shoestring budget. We use creative production methods to keep costs to a minimum. However, our headset microphones are aging and fraught with technical issues. **Our special anniversary fundraising goal of \$15,000 will allow us to purchase new microphones, giving our students and patrons the crisp and clear audio required for an enjoyable theater experience.**

We are currently soliciting tax-deductible donations for our fall fundraiser, a variety show and silent auction, to be held on Saturday, **November 16, 2019.** We are **seeking gift certificates, store items, memberships, tickets, free coupons, etc.** No item is too large or too small! We can use, and are grateful for, anything that is donated. This letter will serve as your receipt of donation when completed and signed by an HST soliciting student or parent.
