

## **VOLUNTEER RELEASE OF LIABILITY**

Although we do our best to provide safe conditions for our volunteers, we count on volunteers to be the best protector of their own personal safety. Volunteers should always be aware of where they are and what they are doing. Volunteers should pay particular attention to safety instructions and proper equipment use. Volunteers should speak up if they have a safety concern and report any injuries to the person in charge as soon as possible

In consideration of the opportunity to participate as a volunteer, I agree, for myself as well as my heirs, executors, administrators, or anyone else who might claim on my behalf, covenant not to sue, and waive, release and discharge AutismOklahoma, Oklahoma Family Center for Autism, and all of their officers, agents and employees, and authorized volunteers, with respect to any and all claims for damages for personal injury, property damage or fatality which I may have, or which may hereafter accrue to me as a result of my participation in the AutismOklahoma event, even though this liability may arise from negligence or carelessness of the part of the persons or entities referred to in this paragraph or from dangerous or defective property or equipment owned, maintained, or controlled by any such person or entity.

**THIS IS A RELEASE OF LIABILITY. BY CHECKING THE BOX TO AGREE, YOU ARE RELEASING AUTISMOKLAHOMA, SPONSORS OF THE AUTISMOKLAHOMA EVENT AND OTHER RELATED PARTIES FROM LIABILITY. PLEASE READ THESE PROVISIONS CAREFULLY.**
