

Unbroken Spring Guardians Training

Primary Purpose:

Why do Guardians put so much effort into Stopping Trespasser's from entering the Event without a Ticket or Participants from Exiting without Proper Authorization?

Our goal is not to stop everyone from having a Good Time, We want to keep and give our Participant's a Safe place to be Free and express themselves Privately!

When a Gate Crasher enters the Event they are Trespassing. They have entered the Property illegally and have not Signed a Waiver. This means that the LLC and Landowner can be held Responsible if our Gate Crasher gets Hurt while on the Property.

History has shown at other Events that Minors and Adults who have snuck in Become Very Disoriented, Have Attacked others, Don't care about Consent, Do Not Respect our Core Principles the Reasons why we are all Here. They can put our Future Events at Risk!

During the Incident of a Lost Child, The Property will go into Lock Down.

NO ONE LEAVES OR ENTERS THE PROPERTY PERIOD.

We are the Front Line in this Incident! This is our Purpose as Guardians.

Thank You for Volunteering!
