

Unbroken Spring Guardians Training

Digital Training:

Digital is the Direct link Between Khaki and Shadows so you will have to have 2 Radio's, one on Guardians Channel and other on Safety/Rangers Channel at all times. This is Essential so you don't miss any info while talking to other Depts during Incident's!

Digitals will announce on Radio when you come on/off Shift to Khaki (This can be done Face to Face with Khaki) and then to Guardians.

Digital is Responsible for Transporting Shadows for shift changes at Locations, Logging in and Out all Equipment and Making Sure it's Returned. If anything gets Damaged or is not working Contact Mentalcase.

Please Keep Equipment Box Locked at all Times.

Will Notify Khaki Immediately of any Incident or if Gate Crasher is reported with the info Needed for Rangers to Respond. You will also start heading that way to assist you're Shadow and look for the Gate Crasher. Notify G-12

Digital will Sign out Cart and Keys for Shift and it will be Stocked with Snacks, Drinks, Batteries, Equipment, Grid Maps, Logs, Resupply's are in the Big Guardian Box at HQ. All Keys must be signed in/out during Digital Shift change and in Shift Report. Please do not Joyride in Excess in Cart and drive 5 mph unless Responding to an Incident but Be Safe and use Your Spidey Senses!

Never Leave the keys in the Cart Unattended. Check in on Your Shadows keep them Going, make it Fun!

Never Give Ride To Any Gate Crashers.

You Must remain Sober and **No Mind Altering Substances** While on Shift as you might have to deal with Leo's or LLC during ICS incident's, Gate Crashers Etc.

If anyone is Late (**not 20 Minutes early for their Shift**) they must Pull from the Stupid Human Trick Bag and Perform the Trick in front of Guardians Volunteers. BTW this includes G-12 and Digitals Bwa Ha Ha Ha!

All Shadows, Digital's and G-12 will meet for Start of Shift outside of Guardians HQ.

Never leave a Position Unmanned while Changing out Shadows.

When Changing out Shadows do it at the Field Location. If not enough Volunteers show up Split the ones you have between Post's if they are Comfortable with It. Otherwise Always Staff the Gate.

Digital will Check Out and In all Radio's and Log Radio Number to The Volunteer in the Equipment Log. Shadows Get Camoflaug Radio's(UV5R) W/ Ear Mic and Digital/G-12 get the Black and Orange Radio's(GT-5TP) W/Shoulder Mic. Place Dead/Swapped Batteries in Charging Station at Guardians HQ after Shift Change.
