

EVENTS 2020

WINTER/SPRING

JANUARY

Christmas Clean Up: Spread the cheer one more time as we begin a new year and close out a wonderful Christmas season! We need volunteers to pack up and take Christmas trees and wreaths to the storage facility.

Supply Drive: We are beginning the year with a supply drive to collect items needed for apartments and patients. This could include cleaning supplies, linens to help restock the apartments, or gift cards.

FEBRUARY

Valentine's Day Care Packages: We would like to spread some cheer with sweet treats and packages to encourage our patients. Items included could be candy, cards, cookies or cakes, candles, a free movie rental or a soothing bath bomb.

Valentines Gift Card Night-out package & Valentines Cards: Showing some love and care to our patients with gifts that provide some time out in Little Rock. This could include a gift card of food, movie tickets, Redbox, and dessert gift cards.

Group Freezer Meal Prep: Preparing meals that can be frozen is an on-going need for HAFH and a meaningful way volunteers can serve our guests. Little Rock Church is happy to host groups that would like to get together and prepare some meals. Another option is to have our Meal Coordinator drop off the appropriate containers and pick up the meal when it is ready.

Blessing Cleaning: This is an opportunity to bless our patients that have been staying with us for a couple of weeks with a light cleaning of their apartment. Volunteers can dust, mop, vacuum, take out the trash and clean bathrooms.

MARCH

Spring Cleaning: We would like to have a group of volunteers help clean up and organize one of our storage locations and move furniture if needed.

Saint Patrick's Day Baskets: We would like to spread some cheer with sweet treats and packages to encourage our patients. Items could include candy, cards, cookies or cakes, candles, a free movie rental, seasonal items and soothing bath bombs.

APRIL

Easter Baskets: We would like to spread some joy with sweet treats and packages to encourage our patients. Items could include candy, cards, cookies or cakes, candles, a free movie rental, seasonal items and soothing bath bombs.

Easter Meal: We enjoy helping our patients celebrate holidays when they are unable to go home. We would like to have volunteers provide a gift card or donation that provides a holiday meal.
