

Class – Hexies 3 Ways!

Joyce Grande

Saturday, February 20, 2021

9:30 – 4:00 North

Ft Myers Rec Center

Kit Fee - \$10 payable to instructor at the class – this kit will include everything you need to successfully do EPP (English Paper Piecing) including a project bag.

General supplies to bring:

Rotary cutter and mat. IF you have a rotating mat bring that. **IT IS NOT REQUIRED!**

Ruler at least 12" long

Sewing Machine with walking foot

Scissors, sharp small and large ones

The usual notions you need to do basic sewing

Fabric glue IF you have it. I will have plenty to share so do not go buy any!

Thread that compliments and contrasts with your fabrics; bring a few choices

Fixion pen or any marking pen you prefer

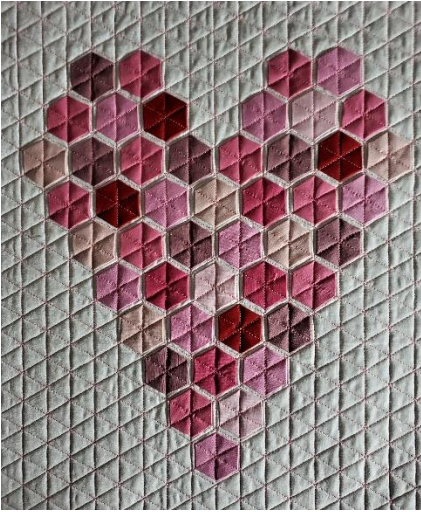

SUPPLY LIST Project 1, hand piecing shortcuts

Fabric scraps - at least 2 ½" x 2 ½" but a bit bigger is better. No need to precut. Note the fabric choice in the samples; the first one uses the same 6 fabric for the flower. The second one uses 6 different fabric in the same color way for a scrappier look. You decide what you want to do. Pick a contrasting fabric for the center.

Old cotton thread for basting. Any color. If you do not have any don't worry I have plenty!

SUPPLY LIST Project 2, glue the hexies; attach and quilt at the same time!

Fabric scraps - at least $2\frac{1}{2}$ " x $2\frac{1}{2}$ " but a bit bigger is better. No need to precut. Use any colors that coordinate nicely.

12" x 12" quilt sandwich – a light color fabric on top that will showcase your fabric choices.

This is a technique class. You will not be able to make the sample in the class, but you will be able to do so at home!

SUPPLY LIST Project 3, half hexies

Fabric – coordinating fabric to make a small wall hanging or table runner. If you have a smaller panel piece you would like to use, bring that.

Small $\frac{1}{2}$ hex ruler – Most hexagon ruler will cut different sizes and will do half hexagons. **If you do not have this kind of ruler DO NOT BUY one.** I will have extras in class for you use and then you can decide if you want to buy one.
