

SAINT SIMONS CHRISTIAN SCHOOL

An Independent Christian School

"Guiding Hearts, Growing Minds"

Dear Friends of Saint Simons Christian School,

Saint Simons Christian School invites you to partner with us for our spring auction fundraiser. The event is scheduled for Friday, March 19, 2021. Proceeds from the event provide necessary scholarship funds that make it possible for more area students to attend SSCS as well as support our renovation project for our lower school building.

For over 26 years, SSCS has provided an outstanding K4-8th grade Christian education in our community. We are currently educating 140 students, and we are excited to see that enrollment grow over the next couple of years. This summer, our school will undergo the final renovation to our lower school building – the 4th & 5th grade. This is an exciting step for our school and will allow us to meet the educational needs of more families in our community.

Our school is not governed or supported by any church or denomination. At Saint Simons Christian School, we place a strong emphasis on academic quality and integrity. We accomplish this through classes with a low student to teacher ratio and by challenging each student individually to reach his or her highest potential to achieve academic excellence.

We respectfully ask you to consider donating an item or gift certificate that we may include in our auction. Your donation will be recognized on several online platforms. If your business has a website and/or Facebook page, we will include that link for our guest in the online auction site. Saint Simons Christian School is a non-profit, 501(c)(3) charitable organization; therefore, your donations are tax deductible.

We are grateful for such a supportive and generous community. Our families love to support you and we love that you support us.
