

Baking Guidelines:

- Brownies, rice krispies treats and similar baked goods should be no smaller than the palm of your hand (i.e., one 9 x 13 oblong pan should yield 12 brownies, rice krispies treats or similar goodies).
- Unlike Bake Sale—cupcakes do not need to be individually wrapped.
- At least 2 to 3 smaller cookies must be wrapped together in order to count as 1 item (i.e. a batch of 36 cookies will yield 12 – 18 items to send in, not a full 2 dozen)
- **Please do not send in burnt or undercooked- the students look forward to the goodies for each party.**
- Ziploc bags work best for packing items.
- **VSP hours**—per every 2 dozen items (see above) the volunteer receives 1.5 hours so for 3 dozen items the volunteer receives 2 hours.
