

# New St. Thomas Seating Chart

In an attempt to seat more people at Mass, we are trying a new seating arrangement effective this weekend, June 6/7, at St. Thomas. We have divided each pew into an "A" side and a "B" side. Please see the guidelines at the bottom of this page on how to choose your seats. A chart is included as an example. Note that the very first row at St. Thomas will no longer be used. If this works, we will set up the same arrangement for Ss. Peter & Paul. Thank you for your patience as we look at ways to add more seating, i.e. Choir Lofts, ST Church Basement.
