## YOUR DONATIONS TO RISE BENEFIT THE COMMUNITY

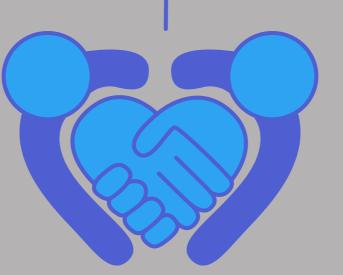

## More than a store — a lifeline for the community

If you donate a coat, you might see it walking down the street next week

Vouchers for those in need mean that necessities are provided free

The Greater Goods store serves as a collection and distribution point in the community for essential items

Donating items instead of throwing them away reduces waste, which means less garbage ends up in landfills

Greater Goods is the heart of our community where donors, volunteers and clients meet to share greetings, thoughts and experiences, forging strong inter-community friendships
