

CELEBRATE *America!*

Enjoy the **4th of July** in Dubois!

**Gov. Mark Gordon & First Lady Jennie Gordon
will lead the parade!**

Extended Parade Route! The parade has been doubled, from one mile to two miles. The new route- which will start at Town Park and wind through First, Lincoln and Hough streets- encourages social distancing by giving more room for individuals and family groups to stay six feet apart. And, some can view the parade from their front yards along the route. Enjoy the parade on a livestream without even having to leave your home (<https://bit.ly/county10youtube>).
