

## Waiver of Liability Relating to Corona Virus/COVID-19

COVID-19 is a novel Corona Virus which has been declared a world-wide pandemic by the World Health Organization. COVID-19 is reported to be **extremely contagious**. Medical knowledge continues to evolve on this new virus, but it is believed to be spread mainly from person-to-person contact. It is also widely believed that infected people may show no symptoms and still spread the virus. As of this time, there are no known treatments, cures, or vaccines for COVID-19 and evidence has shown that COVID-19 can cause serious illness and even death. Federal, state, and local governments and agencies have issued requirements and guidelines regarding social distancing and gathering in groups.

The Rockford Razorbacks cannot prevent you or your children from becoming exposed to, contracting, or spreading COVID-19 while engaging in activities with the Rockford Razorbacks.
