

## **About our mission:**

Thank you for joining our community of volunteers. You are now part of Streetside Shower's mission to bring hope to the streets of North Dallas.

Streetside Showers is about offering hope and helping restore human dignity to the homeless community in the form of a hot shower and personal hygiene care - and our volunteers are at the front lines of our impact. Join us at sites across Plano, Irving, and Denton for a memorable day of action on the streets.

## **Volunteer Description:**

When you arrive on site, please ask for our coordinator on staff and they will direct you further. There are two roles for volunteers to pick from: Shower Valet or Barber/Hairstylist. The details for each of these are below.

Share your thoughts and photos from your volunteer experiences on social media. Last, but not least. Relax, be yourself, and have fun! We look forward to serving our community with you!

### **1) Shower Valet**

You will be greeting our guests, cleaning the showers, and distributing hygiene kits.

Greet and welcome our guests warmly. Always ask their name, and introduce yourself with a smile. Take time to connect with each and every guest; your authentic and compassionate attention represents the unexpected level of care that helps restore their dignity.

Help tidy up. During your shift, you'll be keeping our showers cleaned and stocked with hygiene kits and towels for our guests. We will provide you with gloves during the sanitation process, as we work hard to ensure hygiene and safety for all.

Minimum age for a Shower Valet is 14

### **2) Barber/Hair stylist:**

You will be providing haircuts to the homeless individuals who come to Streetside Showers stops. You will be working with both men and women of all ages. We do request that anyone who signs up in this role is a licensed Barber/ Hairstylist. Each volunteer barber/hairstylist will need to supply their own equipment and tools for providing haircuts. Thank you!
