

Pool Reopening Plan Phase I June 5, 2020

In consult with management and legal counsel, the Bryson Community Association has finalized a reopening plan for the pool amenity; however, per State orders, the splash pad will remain closed. This reopening plan includes new COVID-19 waivers, modified pool hours, reservations, and limited occupancy. We ask that you read this message in its entirety before reserving a time block.

The Bryson pool will reopen on Monday, June 8, 2020. All homeowners (persons on the deed and any children 18 years of age or above) are required to sign a waiver for each visit to the pool. Each child 17 years of age and under are required to be listed on a waiver signed by their guardian to be allowed into the pool area.

Although Governor Abbott's June 3, 2020 updated orders allow a total capacity of 50% while maintaining physical distancing guidelines both in and out of the pool, given the difficulty in maintaining the proper physical distancing, the pool will open at 25% capacity. To maintain this capacity limit, a schedule and reservation system has been established via SignUpGenius.com. Phone calls and/or emails to make a reservation or inquire about current pool capacity will not be permitted. The only form of reservation is through the SignUpGenius website or app. Walk-ups are discouraged; however, if a time block is not full, the monitor may permit a walk-up entry should all requirements be met.

- Based upon the feedback received from the survey, pool access will be available via the following schedule:

DAY	BLOCK 1	BLOCK 2	BLOCK 3
MONDAY	9AM – 12PM	1PM – 4PM	NONE
TUESDAY	NONE	2PM – 5PM	6PM – 9PM
WEDNESDAY	POOL CLOSED		
THURSDAY	POOL CLOSED		
FRIDAY	10AM – 1PM	2PM – 5PM	6PM – 9PM
SATURDAY	10AM – 1PM	2PM – 5PM	6PM – 9PM
SUNDAY	11AM – 2PM	3PM – 6PM	NONE

- Each resident attending must be listed in the time block (regardless of age). Only those names listed will be permitted to enter the pool during the reserved time block.
- Each resident swim time block is limited to a maximum of **35 residents** in total. There will be no "open swim" or adult only swim during this phase of opening.
- To provide fairness, the number of reservations that can be made has been limited. Each address is limited to one (1) reservation per day. If you reserve more than one time block in a day, the first time block will remain and the second time block will be deleted. Repeated violations of this rule will result in suspension of reservation privileges.
- One hour between each swim time block will allow a pool monitor time to clean high-touch surfaces, which includes gates, doors, handrails, and restrooms.

- Each swim time block is set and will end at the time noted regardless of resident arrival time.
- Reservations for the upcoming week will be open Fridays at 9:00 AM; reservation cut-off time will be 5:00 PM the evening before.
- Guests and extended family are not allowed entry at this time.
- Residents are asked to utilize all swim time blocks reserved and not make a reservation “just in case” you “might” want to swim. Repeated reservations and “no-shows” will result in reservation access privileges being revoked.
- Bring your own pool furniture. In order to comply with CDC recommendations, we are asking residents to bring their own furniture during their reserved swim time block. All Bryson pool furniture (except umbrellas) will be stacked up and closed for usage; please do not attempt to use any of the stacked pool furniture.
- Any personal items left over after each swim time block will be thrown away; there will be no lost and found.
- Residents must maintain a physical distance of 6-feet or more from anyone that is not a member of their household.
- Any residents not abiding by physical distancing guidelines will be asked to leave. If the resident continues to ignore physical distancing guidelines, reservation access privileges will be revoked.
- Use of the restrooms is limited to one person at a time. Children and adults requiring assistance may be accompanied by an additional person.
- The drinking fountains will be closed; please bring your own water.
- In the event of severe weather (thunder and/or lightening) the pool will be closed. Unfortunately, we do not have the capacity to have a “make up” swim time block for cancellations due to weather.
- Outside pool toys and games are prohibited. Only safety flotation devices are permitted in the pool.
- The pool monitor is not a lifeguard so swimming is at your own risk. Please keep a close eye on all children in the pool and for those children who do not know how to swim do not leave them unattended in the pool, even if your child is wearing a flotation device.
- If you are experiencing any issues with the reservation system, please email DirectorOfFun@MyBrysonCommunity.com.

Please understand that as we begin to roll out this process, we may need to make adjustments to accommodate the needs of our entire community and team members.

We greatly appreciate your patience and understanding during this time, and we want to remind all residents to act wisely and safely.
