Tools for School 2020

Ready to Help Children in Need?

Tools for School provides back-to-school necessities to Hamilton and Northern Marion County families in need.

At the end of July, financially qualified children from Hamilton County attend our Tools for School days and select their supplies. They receive a new backpack, school supplies, socks, shoes, underwear, a book, nutritious produce to start the new school year!

We plan to assist over 3,000 children and this year and **WE NEED YOUR HELP!**

We need 1,000+ volunteers to make this program a reality and success. This is a great way for teens to get their service hours, and a great way for families to grow together through serving others.

Volunteer for a Few Hours!

July 15 -25, 2019

Our Sign-Up Genius is available now. Just visit our website: www.mercifulhelpcenter.org and scroll down to Tools for School and click on the "Sign Up Now!" button.
