Notice: Critical Infrastructure Employee

42 U.S.C. § 195(c)e & Mn Executive Order 20-20

31 March 2020

Issued to:

Letter of Access

To Law Enforcement and Whomever it May Concern:

Houses of worship have been identified as critical or essential to the continued critical infrastructure viability, and therefore workers have been declared exempt from the mobility and other restrictions designed to prevent the spread of the COVID-19 virus. Specifically, Minnesota's "stay at home" order explicitly exempts Faith leaders and workers as a critical work function.

In Emergency Executive Order 20-20 6(v) dated March 25, 2020, Federal and State orders have recognized

"v. Faith leaders and workers. This category includes officials, workers, and leaders in houses of worship and other places of religious expression or fellowship, wherever their services may be needed. This category also includes workers necessary to plan, record, and distribute online or broadcast content to community members."

The above-named individual is a "Faith leader and/or worker" as defined above and must be allowed priority access to our facilities and properties to continue our operations.

This correspondence is valid for the period of March 26 to September 30, 2020.

Respectfully,

Steve Hudson - Executive Pastor
