Adoption Agreement

Please read the following carefully and initial each item.

I understand that:

- _____ The Humane Society of Northeast Georgia (HSNEGA) makes no guarantees of the health, habits, temperament, or any other fact about the animal I am adopting.
- _____ A full refund of the adoption fee may be given if the adopted animal is returned with a health issue within 10 days of the adoption. Return of the adopted animal at any time for any other reason will result in forfeiture of the adoption fee.
- _____ All animals adopted from HSNEGA are up to date on vaccines and have been health checked. While HSNEGA never knowingly adopts out an animal with a health issue, animals can experience issues following an adoption, such as worms in their stool, loose stool/vomiting, nasal discharge, and not eating or drinking.
- _____ There is a risk my current family pet(s) could be exposed to illness, and HSNEGA is not responsible for the cost of veterinary care should they become ill.
- _____ I can take my animal at any time to the veterinarian of my choice; however, I will be responsible for any and all charges incurred. HSNEGA will not reimburse for any care provided by my own, or an emergency veterinary clinic.
- _____ If the animal is returned to HSNEGA, they reserve the right to put an adoption wait period.
- _____ I agree to provide a form of shelter from the elements, and will not deny the animal access to the shelter.
- _____ I agree that if the animal does not stay in my ownership, and if I legally transfer responsibility that I will make sure the new guardian will treat the pet humanely and with the same expectations outlined here. I understand I am also required to contact HSNEGA about transference.
- _____ I give consent for my Adoption Photo to be used by HSNEGA.

_____ HSNEGA in partnership with 24PetWatch Pet Insurance Programs, provides a 30 day gift of pet insurance for your newly adopted pet; covering up to \$750 of selected treatments (with a one-time deductible of \$75). You will need to provide a method of payment when enrolling in the trial. No payment will be collected for the duration of the 30 day trial. You can cancel any time. If you do not cancel on or before day 30, a payment will be collected on day 31 to continue with the insurance policy you chose at enrollment. Payment is generally required by veterinarians at the time of service. These charges are your responsibility and may be reimbursed by the insurance company. Any co-payment, determined by the insurance company, is your responsibility. The insurance must be confirmed within 7 days of the adoption for the policy to be valid- there are 3 ways to confirm- email, phone, or website. 24PetWatch Pet Insurance Programs will send an email with an activation link and policy documents once the adoption is complete. If the adopter has not received an email from 24PetWatch Pet Insurance Programs, they should alert HSNEGA to have their email resent. There is a 2 day waiting period from the point of adoption to when the policy takes effect. Please note adoptable animals over 10 years of age are not eligible to receive insurance benefits through this program.
