## This Spring help Grow Potential in local kids with a purchase of beautiful flowers!

Big Brothers Big Sisters is excited to present our **30th Annual Plant Sale!** Plant Sale is an important event to raise the dollars necessary to support one-to-one mentoring programs for children facing adversity in a 14-county area. Today, BBBS impacts over 700 children annually and more than 11,500 since our founding 32 years ago. Dollars raised through plant purchases enable our organization to: 1) recruit and enroll volunteers, 2) provide training and ongoing coaching for Bigs, and 3) provide staff-supported activities and workshops for our Matches.

Please consider shopping our sale to get the selection, quality and colors you need for your garden, patio and landscaping needs this spring. Our flowers have come from the same family-owned greenhouse since the beginning, so you know they are high quality and long lasting. Give us a try and join hundreds of other local residents and businesses who buy year after year to get what they need and spend their dollar where the biggest impact can be made!

**Together we can empower our future leaders  
and beautify our communities in 2020!**

**Place a pre-order by April 20  
and be eligible to win!**

## Heritage Helping Hands

Any individual that turns in a pre-order by April 20, will be put in a drawing to receive a \$500 HERITAGE Helping Hands gift certificate good for design, labor services or products from, Heritage Landscape Design in Moline.

## IGNITE A CHILD'S POTENTIAL!

**Every child is born with the potential to achieve great things.** And Big Brothers Big Sisters **inspires, ignites, and defends** that potential in youth every day. But for every child who has been paired with a caring adult mentor, there are those still waiting their turn: 200+ local children have raised their hand to say they want a mentor.

### Now is the time to make an impact like never before!

It takes just one person to see a child's potential and ignite it. That person could be you. You have a story to share and guidance to give. You can show a child the true reach of their potential.

**You just need a few hours a month.** In just 2-4 visits with their mentee per month, in either the School-Based Plus or Community-Based Program, a mentor can point a child down a pathway towards lifelong success.

- o **School-Based Plus Mentors:** meet with their mentee on school grounds during lunch and recess to play games, read books, tell jokes, make crafts, or hit up the playground!
- o **Community-Based Mentors:** spend time with their mentee in the park, at a sporting event, cooking, fishing, or attending community events.

Being a Big Brother, Big Sister, or Big Couple is one of the most enjoyable and fulfilling things you'll ever do. Learn how you can get involved in **IGNITING POTENTIAL!**
