

## ACC Mitten Tree Gift Packaging

Thank you for supporting our 32nd annual MITTEN TREE in 2020 as we share with those in need. Each person receiving your gift very much appreciates your thoughtfulness, time, generosity and prayers for this ministry and the recipients. This year there is a greater need than ever. And, we have a greater need to feel connected to each other through doing Christ's work. If these go quickly, I will add more options once these are all claimed.

This year, we will sign up using SignUpGenius. Please note there are 3 different sign ups, one for each organization, divided by tabs at the top. [Click here!](#) The wrapping instructions vary by organization. Please package carefully.

### GREEN MITTENS

For families from Lazarus House in Lawrence through Project Bethlehem. This is different than past years, so, read carefully.

- **Gift cards:** Place in a little gift bag or box and tag with recipient's name
- **Toys/Games:** Wrap individually and tag with the recipient's name
- **Gift Tag should be completed as follows:** **To:** First Name **From:** Please leave blank so the parents can fill this in. The gift tag will be the mitten, which we will attach upon drop off (it will be mailed to you if you are doing pickup.)

- Fill out the [inventory list](#) (not with the gift receipts). The [inventory list](#) will be available at drop-off.
