

Pumpkin Patch Volunteer Reference

In order to provide a safe environment and comply with organizational and local guidelines we ask that volunteers and customers comply with the following:

1. Wear a mask
2. Check Temperatures (100.1 or higher, No Admittance)
3. Maintain appropriate social distance from others
4. Follow directional arrows to move up and down aisles, as well as for entering and exiting the grounds
5. Keep capacity inside the fence to between 30 and 35 people
6. Photo Op only visitors are to be directed to a path that does not go through the pumpkins, but rather directly to the photo set up.

Should it be needed, there is hand sanitizer, gloves, and disposable masks available for those who are without.
