

FELLOWSHIP HOUR IS BACK!!!

We will begin having a Fellowship Hour in between the Sunday services beginning Sunday, June 6th. Fellowship will be taking place each Sunday on the west patio with water and coffee only (weather permitting). Please feel free to bring your own coffee as well.

IF IT IS RAINING, FELLOWSHIP HOUR WILL BE CANCELED.

Each Sunday we will need two people to help with hosting the Fellowship time.

Hosting is easy:

1. Start the coffee at 9am. Make 1 pot of regular coffee in the large coffee serving urn in the Fellowship Hall kitchen. The instructions are on the counter next to the machine, and coffee can be found under the counter to the right of the coffee urns.
2. Put the urn on the cart, along with the bottled water, coffee cups, and condiments, and push it out to the west patio.
3. Roll the trash can from the kitchen to the west patio.
4. Take out two portable cocktail tables, along with two large round tables from the carts in the west hallway and set them on the patio, along with the chairs for the large tables.
5. About 10:30am, start gathering the things that go back to the kitchen on the cart, and roll it back to the kitchen.
6. Clean the coffee serving urn, per the directions that are on the kitchen counter.
7. Put all the trash left out on the west patio into the trash can, and then roll the trash can back to the kitchen.
8. Put tables and chairs back on the racks in the west hallway.

Thank you for hosting so that we can reconnect with each other after a long COVID shutdown!!

Joan Hanson, Hospitality Team
