

Thank you for signing up to help with this community children's event sponsored by Trinity on the Hill Episcopal Church Outreach Ministry. Children in kindergarten through 6<sup>th</sup> grade come to shop for their friends and families. We send the children home with gift wrapping supplies to wrap their gifts at home. All items for the bazaar are donated from our community.

Please arrive on time and check in to get your name tag, instructions, etc.

Please dress comfortably.

Holiday wear is encouraged on the day of the bazaar!

If you signed up to work outside serving refreshments you will want to dress for the weather.

Facemasks are required to be worn inside our church building.

Parking is limited, please park at the Sullivan Field Parking Lot or Los Alamos Medical Center on December 4<sup>th</sup>. Please enter the church building using the entrance on the lower level (Dance Arts Studio). Please do not walk through the church building. There is no parking available in the lower parking lot on December 4<sup>th</sup> except for handicapped parking.
