## EDUCATING ON THE NATURE AND DIGNITY OF WOMEN

Endow is an educational apostolate that writes study guides for small groups of women that makes the rich wisdom of the Church accessible to the “woman in the pew.” By offering background information, definitions of theological terms, historical context, quotes from Scripture and the Catechism, insights from scholars and saints, and thought provoking questions for group discussion, an Endow study makes some of the most profound documents of the Church and writings of her saints accessible to teens and women alike.
