

An aerial photograph of St. Peter's Parish grounds. The central feature is a large, light-colored stone church with a prominent steeple. To the left of the church is a large, multi-story building with a flat roof, likely a school or community center. The grounds are surrounded by lush green trees and lawns. A paved road runs along the bottom of the image, with several cars parked. The entire scene is framed within a circular border.

# St. Peter's Parish Grounds Clean-up (Phase 1)

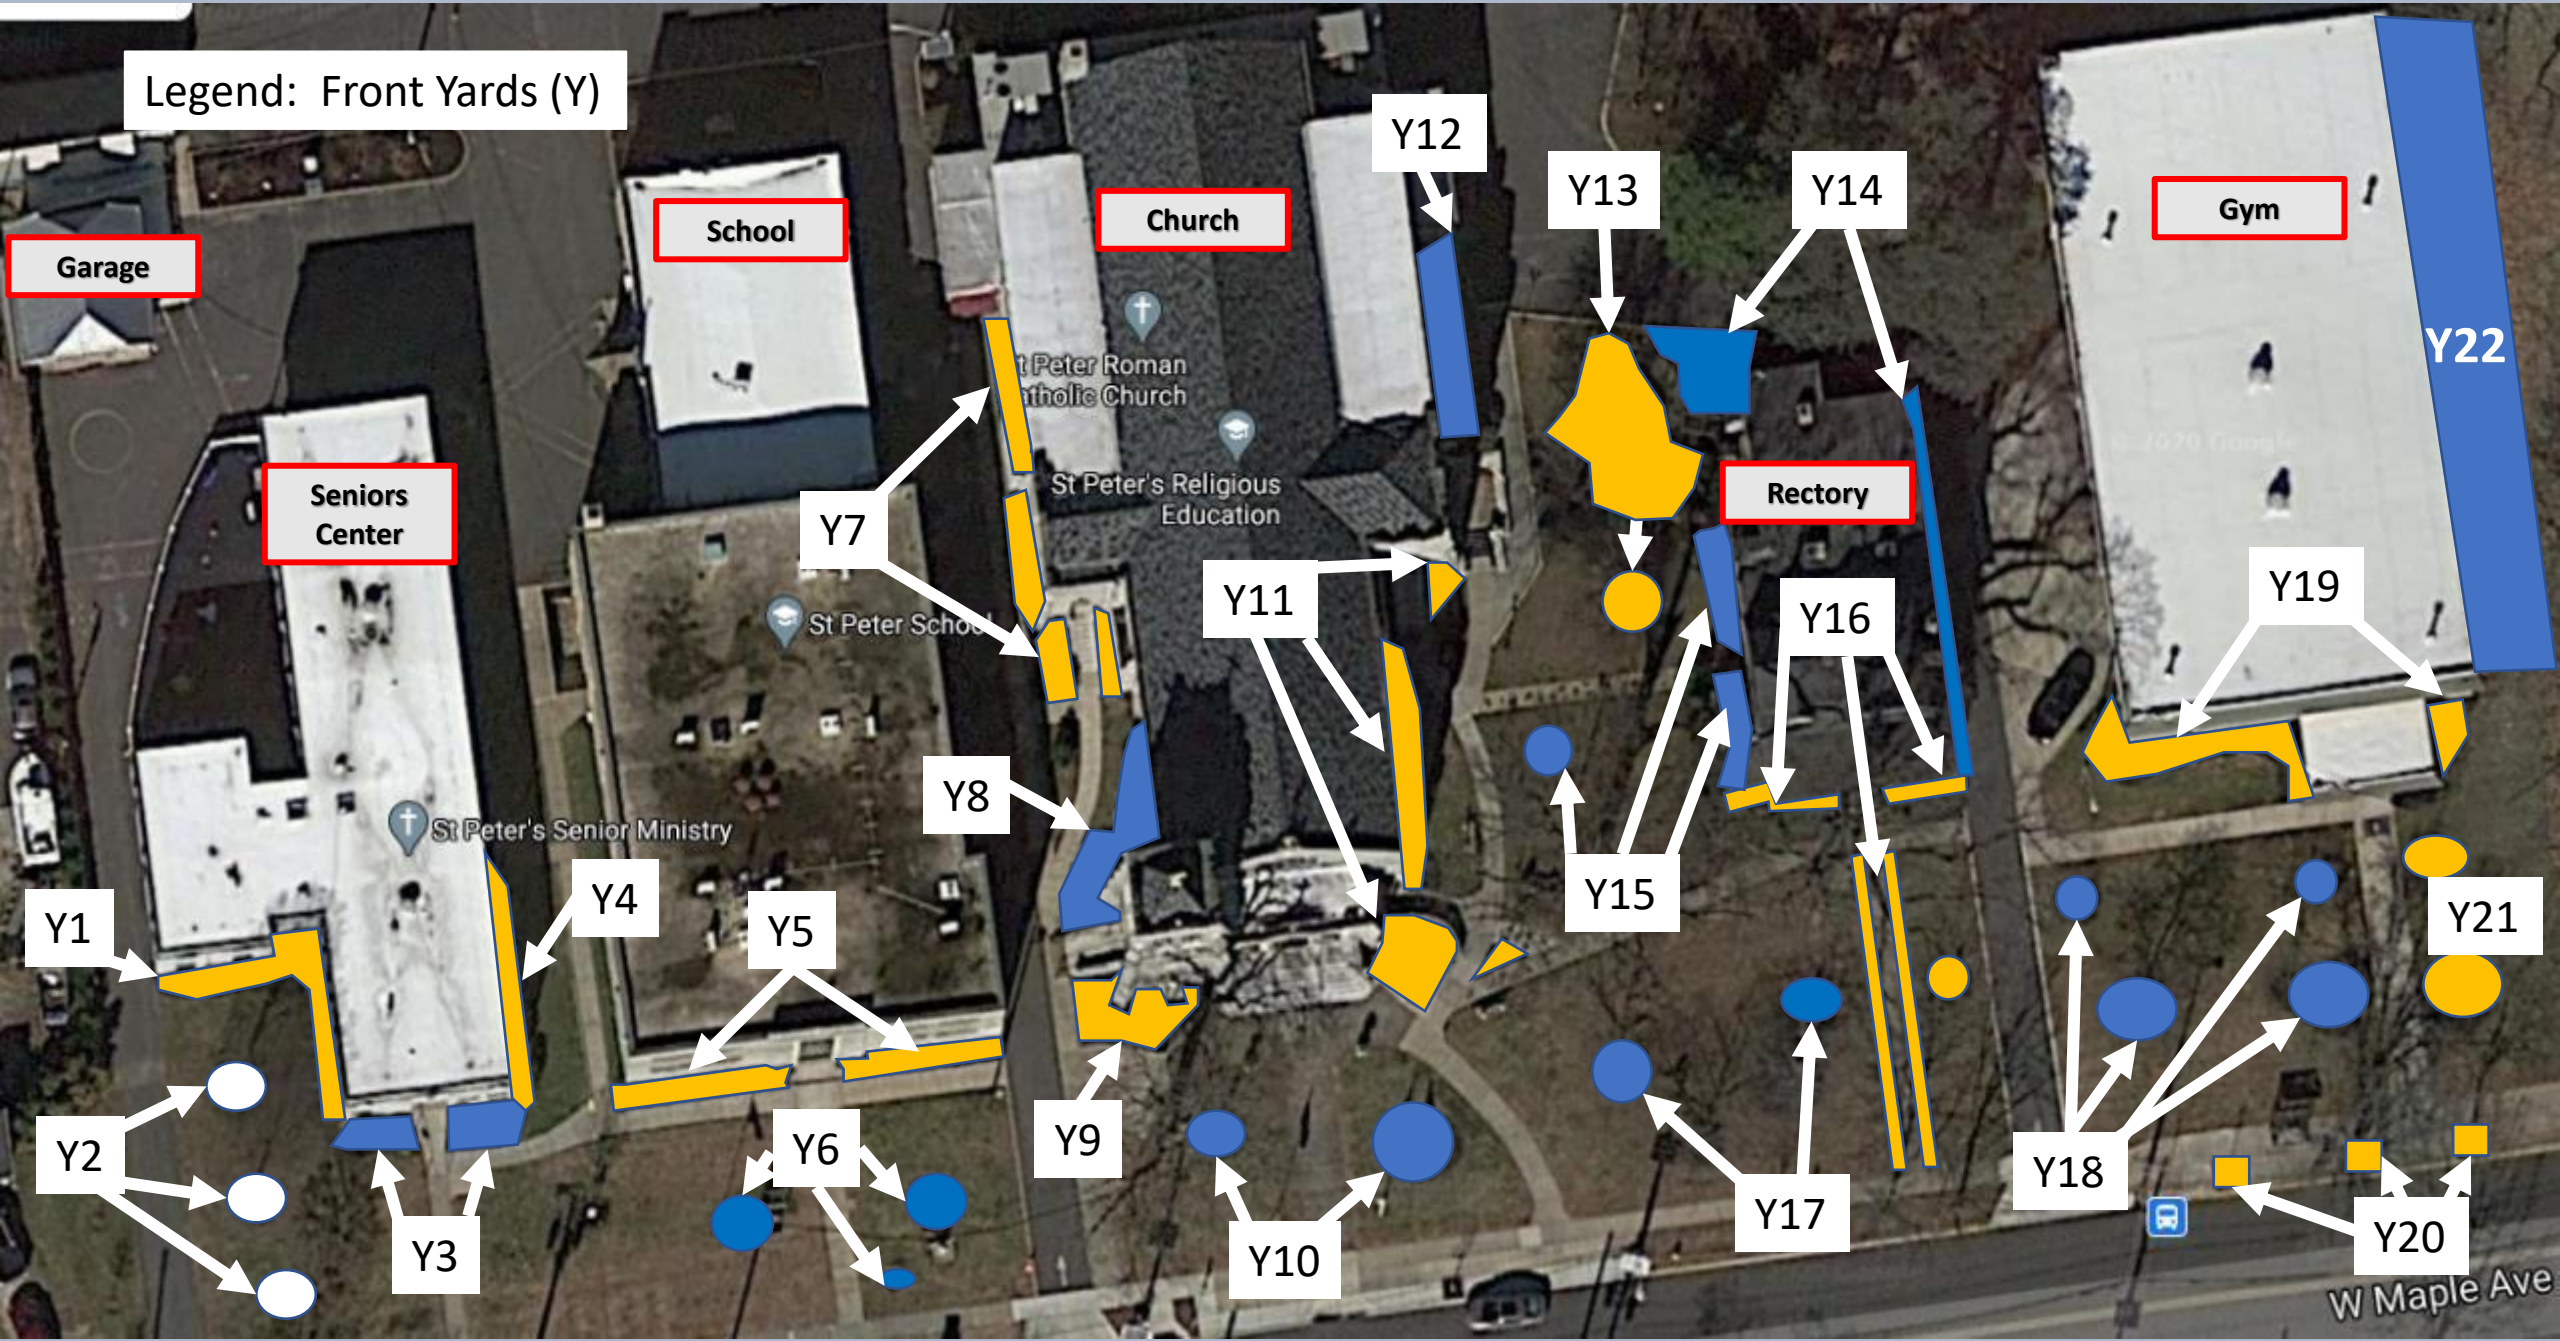

*September 5th – September 26<sup>th</sup> 2021*

Legend: Front Yards (Y)
