Enhanced Cleaning and Safety Procedures - For use at all venues

- Hands, paddle, balls, water bottles are to be sanitized prior to entering the court and again regularly (every 15 to 20 minutes) throughout playtime.
- Touch only the ball being used by your group, all other balls that come into your court should be kicked or passed with your paddle. Do not pick up and throw.
- Sanitize balls between games - use either method below:
 - Use a spray bottle to spray balls with a alcohol or bleach solution after each game, dry with towel.
 - Have a bucket of mild bleach solution or 99% alcohol. Dip balls in solution rotating around to touch all sides, remove ball after dipping, leave on towel to dry. Have 2 -3 balls to rotate through solution and drying for each game.
- Do not shake hands or tap paddles at any time before, during or after games – opt for a smile, tip of the hat or thanks from appropriate distances.
- Refrain from touching anything that is not yours including picking up paddles, balls or other items left behind.
- Players must use their own personal sanitizer after any contact with the entrance/exits to the courts.
- Be aware of contact points: storage locker, seating areas, garbage can, nets, net mover and net bags. Use personal sanitizer after any contacts or ideally, wash hands thoroughly before and after playing.

Note: By accepting these guidelines to play pickleball during club play time, you waive all rights and indemnify Kamloops Pickleball Club and the City of Kamloops of all wrong doings.

Please note that pickleball play in contravention of local, provincial or federal laws or regulations is not an Authorized Activity and consequently is not covered by Pickleball Canada insurance.
