

As a reminder, all VDR certificates expired December 2020. If you haven't renewed your VDR certification there is still time. An in-person VDR training is available at Bexar County Elections on June 8 at 10:00 am. You must call (210)335-8683 to register for the training. There were 14 slots still available on June 3. Another training could be held at 6:00 pm but only if enough volunteers sign up. There are currently not enough registrants to make the evening class available.

There is also an on-line training option at [Volunteer Deputy Registrar Training Presentation - September 2017](#). Complete the training, print and take the test from [Volunteer Deputy Registrar Examination](#) and deliver the test to Bexar County Elections at 1103 S Frio, San Antonio 78207. If you don't have access to a printer you can take the test at Bexar County Elections.
