

Long Island State Veterans Home Visitation Guidelines

November 18, 2021

- Visitors must wear masks at all times.
- All visitors are encouraged to be tested for COVID-19, within 2-3 days before their visit.
- All visitors are encouraged to be vaccinated for COVID-19.
- All visitors under the age of 18 must be accompanied by an adult.
- No more than two individuals are permitted in an elevator at any given time.
- All visitors will be screened upon entrance. Visitors who have symptoms consistent with COVID-19 will not be granted entrance.
- After screening, all visitors should report directly to the resident room / designated visiting location, and remain in that location for the duration of the visit.
- No more than two visitors per resident are allowed for an in-room visit, due to social distancing requirements.
- If a resident or a visitor requests additional individuals to be present, facility staff will offer alternative visiting space, if available, to accommodate their request.
- All visitors should physically distance from other residents and staff of the facility.
- Hand hygiene is required prior to and after each visit.
- Consumption of food items should not occur during any in-room visit.
- The Garden Grill Café is closed to visitors at this time.
- No pets are allowed at this time.
- Visitors may use the restroom in the lobby only.

Visitation is contingent on compliance with these guidelines.

Visitors who are unable to adhere to the core principles of COVID-19 infection prevention will not be permitted and will be asked to leave.
