I volunteer at Operation Shockwave, a military Veteran suicide prevention 501C3 Non-Profit. We are an all-volunteer organization. We rely largely on donations and grants to provide for our Veterans. Our organization is a growing community of warriors, leaders, allies, family members, supporters, mental health professionals, and now...YOU! Every member of the Tribe believes that veterans deserve the best care and transitional services following military duty.

On **Saturday April 2, 2022**, we will be holding our inaugural **Heroes, Harleys and Hot Rods Car & Bike Show and Concert at Desert Wind Harley Davidson in Mesa**. Numerous community partners will be in attendance including the local news media, TikTok and Instagram influencers. We invite Veterans and their families from around the valley to join us for a day of family, fun, and fundraising to support our various support programs. Every person affiliated with Shockwave is enlisted as a volunteer—no paychecks for any board, staff, or officer—which means more money towards programs that save lives.

Would you/you're company consider a raffle/cash donation so that we can have a successful event, we would be most appreciative? We also have sponsorship options as well.

Operation Shockwave helps to ensure the highest quality of life for Veterans by:

- Facilitating the Pups and Warrior Side by Side Program (P.A.W.S.S.) to provide trained and certified service animals for disabled Veterans;
- Providing emotional support competencies and programs (e.g., Alpaca Your Trauma), financial management, and seminars to assist Veterans and their families in achieving their best quality of life;
- Developing a collaborative community outreach program that unites with other veteran-friendly organizations in the areas of social engagement, community impact and philanthropic aid;
- Delivering and supporting the Warrior Words of Wisdom Program to provide therapeutic and creative holistic healing for Veterans and their families.

We thank you for your consideration of a donation to support our Arizona Veterans and their families. If you have additional questions, need a donation letter or a shipping address please reach out to our Marketing Officer Natalie Marek.
