## MINI RECITALS (dancers ages 2- 2nd grade) - Saturday, June 11, 2022

**Mini recitals are for our Stars program dancers and our Kidz Program dancers (ages 2 through 2nd grade)**

Mini recitals are very short (roughly 75 minutes) and focus on our younger students. All students will take the stage at the beginning of our show to calm nerves and wave hello to parents in the audience. After performing their routines, at the end of the MINI recital, all students will return to the stage again for their curtain call bow! This is a very unique recital experience and we are happy to provide our young students with a stress-free experience that is created with the young dancer in mind!

**MINI RECITAL TICKETS:** Tickets will go on sale May 16th once the final tuition installment has cleared for the season. Seating is general admission for the Mini Shows and are \$23.00 in advance through the ticket link coming soon. Tickets at the door (if available) will be \$25.00 (cash only please)

## FULL RECITALS (dancers grades 3-12)- Wednesday, June 8, 2022 and/or Friday, June 10, 2022

**Full recitals are for our dancers in grade 3 through grade 12**

Full recitals are longer performances (roughly 2 hours), and focus on our older students. All students perform with their classes and then return to the stage at the end for the finale dance routine and to receive their dance medallions. Full recitals involve more combining of classes, varied lighting, props and the show itself moves at a quicker pace. This is a special experience for our older students and always a fantastic finish to the year! 5/10/15 year award recipients will be recognized on stage as well as our graduating seniors.

## IN SYNC COMPANY & TEAM EVENT - Saturday, June 11 2022

This is a special performance for all of our Company Dancers and Performance Teams. All company routines will be performed in addition to any technique classes that ONLY have company dancers enrolled. In an effort to minimize recitals and have a fun send off to the 2022 season! Some technique classes and company classes may be asked to perform in the FULL recitals during the week. Details to come.

**FULL RECITAL & COMPANY EVENT TICKETS:** Tickets are \$23.00 in advance through the ticket link coming soon.

**Seating is assigned through a lottery system. Order all the tickets you need at once so your family is seated together.**

**Additional orders will not be seated with the original order. Tickets at the door (if available) will be \$25.00 (cash only please)**

There is only one rehearsal and attendance is mandatory. Dancers should only attend the show they are scheduled to perform in. The students will wear their recital t-shirt and their own black pants.
