

We look forward to meeting you at the Open House!

The camp is located at 15375 Stella Maris Drive Newburg MD 20664.

If you are using GPS to navigate to camp, be sure to check the address. Sometimes people are misdirected to our registrar's home address in error.

We will have camp staff on site to lead tours and meet prospective campers. Our staff will direct you to park on the field and will show you to the mess hall. Many of our camp counselors were once Camp St. Charles campers.

Most families spend about 90 minutes visiting during an open house. We will be serving a complimentary lunch and snacks during the event. Prospective campers and their families are welcome.

Please dress for the weather, we will be walking around the camp, inside and outside so comfortable shoes for walking outside on grass are a good choice.

Registering your child for camp: Some camp sessions may be filled before our open house events. Please check out [the current availability here](#).
