

2018 GNC WELCOME TEAM

FUMC Good News Celebration Service

*** DRAFT ***

Who?

People who make a great first impression! We're looking for ...

1. **Aligned People.** That is, people who embrace and own the church's mission
2. **People-people** People who genuinely love people
3. **Marketplace Customers.** People who remember their own guest service experiences—both desirable and undesirable
4. **Image Savvy People.** People who look in the mirror before they leave the house
5. **Disciplined Conversationalists.** People who intuitively know how to carry on a conversation with others without feeling like the conversation has to be all about them
6. **Excellence-Champions.** People who see, hear, and feel what's excellent and take initiative to fix what's not
7. **Optimists.** People who see the glass as more than half full
8. **Servant-hearted People.** People who understand it's not about them; they do what they do to serve both guests and their fellow teammates
9. **Interesting People.** People who draw others to themselves because they are appropriately interesting
10. **Missional People.** People who reach out to those who are seeking God
