

2020 Summer Work Academy

Volunteer Checklist

The R3 Development **Summer Work Academy** is an opportunity for Student Interns and volunteers to serve and impact the East St. Louis community with a large scale clean-up of streets and alleys in the Lansdowne community. As a part of this effort, please dress for hot weather and consider having the following:

Mandatory Items

Completed R3 Volunteer Waiver Form	hat / baseball cap
sunscreen	mask / face covering
work gloves	closed - toe shoes
insect / mosquito repellent	

Optional Items

safety glasses	Gatorade / Powerade
yard tools (grass trimmers, weed eaters, hedge trimmers, loppers, garden shears)	ice chest / ice

Note: Due to our work in areas with overgrown vegetation, consider wearing loose fitting long pants and a long sleeve shirt, particularly if you are allergic to poison ivy.

We're excited about this opportunity to work alongside you, transforming this city one life and one block at a time!

The Staff of R3 Development
