

# *Conversation Corner*

We are excited to be able to use our Conversation Corner to help re-connect our residents with their loved ones.

Below is the list of requirements in order to participate in a safe visit, based on our current regulations.

1. Schedule your visit online ahead of time so we can ensure your loved one is ready and available
  - No more than 2 family members visiting at once
2. Bring and wear a mask that covers your nose and mouth
  - Masks must be worn at all times by both visitors and residents
  - Physical contact is not allowed at this time
3. Check in and complete the COVID-19 screening inside the main entrance
4. Utilize the headphone and microphone set to assist with hearing each other
  - Those items are sanitized between all visits
5. Enjoy your visit!
