

House of Hope Bread Pickup (Please wear gloves)

One family (two-person job) is needed to pick up donated bread and pastries from Lunardi's and Safeway of Los Gatos. Please leave room in your trunk and back seat, as this is a large amount. Bring the bread and pastries to the House of Hope by 8:00 AM Saturday morning.

At Safeway, the grocery carts with the bread and baked goods are usually on the back loading dock. Please do not take anything other than the bread and baked goods that are in the Safeway grocery carts on the dock. Typically, there are between 1 and 3 carts (so be sure to have a car that can handle all of that). Every so often there are no carts out when volunteers arrive. In this case, please go in the back door and go to the bakery. You may see the carts parked in there, but if not, please ask someone in the bakery. Tell them that you are with House of Hope and you are looking for the donations. After that, stop by Lunardi's and the cart should be just inside the door near the tables by the bakery.

When you drive over to House of Hope, you can park between the HOH and the Brick House. Please stay in your car and wait for someone from HOH to help you. If no one comes out, please go to the back door and let them know you are there with the bread.
