Fundraising Support

Our need for **Fundraising support** encompasses many things, however, we have an immediate need to obtain items for our upcoming Tropic Like Its Hot fundraiser in June. This is our ONLY fundraising event of 2020 and will fund over 80% of our programs for the 2020/2021 year. It's absolutely vital that we source some great Live and Silent Auction items. We could use other support in the following areas;

- Be on our Tropic Like Its Hot event committee!
- Set up and take down the day of the event
- Generation of donation receipts after the event
- Silent and Live Auction item acquisition
- Sourcing supplies needed for the actual event (decorations...)
