

Site Safety Rules

General Rules

All participants must attend safety orientation upon arrival at camp.

Alcohol, tobacco, illegal substances, fireworks, guns, rifles, knives, hatchets and pets/animals are prohibited for all participants.

Children must be under the Visitor's adult supervision at all times.

All swimming is swim at your own risk. There is no lifeguard. No one person may swim alone, you always must have at least one buddy. Swimming areas are Main Dock, Cadet Beach and Outpost Beach. Inform the Site Manager and seek permission before swimming. Diving is only permitted in Main Dock Deep.

Shoes must be worn at all times.

Fires are not allowed without permission of the Site Manager.

Only restrooms and potable water are available. No food is available. Water will be only available via spicket or sink as all water fountains are off. All food trash must be packed out by participants. Trash bags are available outside the facilities building.

All Visitors must wear a mask upon arrival until allowed by the Site Manager to remove their mask.

Required Hygiene practices for Day Use:

- a. **Wash hands** all persons must wash hands upon arriving at Camp Belknap at the hand washing stations. While on site we should practice good hand hygiene at all times. Wash your hands frequently, using soap and water for at least 20 seconds. We recommend washing hands, at minimum every hour or at any of the following times:
 - i. Upon arrival at site prior to doing anything
 - ii. After blowing one's nose
 - iii. Coughing or sneezing
 - iv. Before, during, and after preparing/eating food
 - v. After using the toilet
 - vi. After touching garbage
 - vii. After removing gloves
 - viii. After completing any cleaning projects
 - ix. Before and after the work shifts
 - x. Before and after work breaks
 - xi. After touching objects that have been handled by others

Handwashing is available at the following locations around camp:

- i. Outside the Facilities Building
- ii. Outside Clark Lodge
- iii. Timi-His
- iv. Junior Division Scollage

Site Safety Rules

b. Use hand sanitizer when soap and water is not available

Hand Sanitizer will be available at the following locations around camp:

- i. Conlon Lodge
- ii. Hall Lodge
- iii. Dining Hall Exterior

c. Avoid touching the face, eyes or mouth

d. Practice good respiratory etiquette. This includes coughing and sneezing into a tissue or your elbow rather than into your hands.

e. Wear a cloth face covering: Everyone is required to wear a cloth face covering to help protect against the spread of the virus in the following situations:

- i. When persons are within 6 feet of each other, either inside or outside (examples: taking temperature, moving equipment that is smaller than 6 feet but requires two persons)
- ii. When inside any permitted building (bathroom or Conlon).
- iii. When requested to put on a mask by another visitor or staff person.
- iv. You are not required to wear a mask when you are outside and keeping to 6 or more feet from any person's not in your visitor party.

f. Practice social distancing: To the greatest extent possible, all employees should maintain safe social distancing, which means keeping a distance of at least 6 or more feet between one another at all times.

g. Everyone should avoid sharing clothing, personal care products, water bottles and other belongings.

h. Potable Water – is available only outside the Timi-His using the newly installed touchless water bottle fill station. If visitor forgets a water bottle we will have disposable cups for use.

2. Clean places after use

At the end of each use everything must be cleaned through the use of soap and water, wet wipes and/or sanitation spray as further outlined below:

Program Activities:

The following outlines permitted activities and the required cleaning after use. NOTE - Belknap prohibits playing with another guest that is not in your party/household using the same equipment/ball.

Frisbee Golf – maps and frisbees provided

- Guests may use Belknap frisbees, maps and play Frisbee golf.
- Frisbees for Frisbee Golf must be disinfected with spray bottle by participants and placed in "USED" bin for end-of-day disinfecting by site manager.
- Frisbee golf maps should be thrown out.

Site Safety Rules

Canoeing – canoes, paddles and lifejackets provided

- Guests may use canoes with the permission of the Site Manager.
- Anyone in a canoe must wear PFDs at all times in boats.
- Keep boats in bay, in sight of Main Dock
- At the end of use the canoes, paddles and jackets, they will be sprayed down via disinfectant pump bottle and left to dry by the guest.

Junior Tennis – Bring your own racket and balls

Junior Hoops – Bring your own basketball.

Messer Field – Bring your own equipment.

Main Dock – Swim at your own risk per rules outlined

- At the end of use the tower and railings should be wiped down with a sanitary spray let to sit and wiped down by the guests.

Ping Pong in Conlon – Ping pong may be played with people that are in your guest household/group.

- At the end of ping pong put the used balls and rackets into the sanitation bucket.

Go for a Walk - Enjoy! But do not enter any lodges, scollages or cabins. If you desire to look in a cabin for a name, please bring a wipe and wipe the handle down after use.

Volunteer Activities:

The Site Manager and Facilities Director will coordinate on site volunteer activities. Participants may only conduct activities approved by the Site Manager and Facilities Director. Guests will use equipment at their own risk.

Hand Tools and any Safety Equipment -Hand tools may be handed out each day based on the volunteer requirements. At the end of the day hand tools will be lined up on the white fence and sprayed down with the sanitation spray and tagged out with a sign stating time of cleaning. Safety equipment will be cleaned using gloves and sanitation procedures after use.

Building Use:

The only buildings permitted to go into are Conlon Lodge, Timi-Hi/Hers, and Junior Division Scollage. Please keep all doors and windows open. The pavilion may be used as well. All social distancing rules including masks apply in all buildings. Wipes should be used after use to wipe down any surfaces touched by participants.
