

# Surrey Lawn Bowling Club

## REVISED PHASE 2 RETURN TO PLAY (RTP) GUIDELINES

Approved by the Board January 22, 2021

### 1. GENERAL REQUIREMENTS:

- 1.1. All club members attending the club grounds and/or clubhouse must read, understand, and agree to comply with these Guidelines.
- 1.2. Club directors or appointed monitors will be responsible for the setting up of Sanitizing Stations (for example, anti-bacterial sprays, hand soap, and hand wipes) at the entrance of all facilities and outside on the Greens.
- 1.3. All club members attending the club grounds must sanitize their hands before (or immediately upon) entering the property.
- 1.4. All club members attending the club grounds and/or clubhouse must complete, date and sign the COVID-19 Symptom Screening Questionnaire prior to entering the clubhouse or using any of the greens or facilities. The Symptom Screening Questionnaire must be completed every time a member enters the property.
- 1.5. All club members must read, understand, sign and turn-in the Liability Waiver. If members have not completed this form, they will not be allowed to enter the premises.
- 1.6. Only members who have a confirmed booking time for use of the greens will be allowed on the property.
- 1.7. Physical distancing of **three meters** while on the green. There will be two chalk marks indicating the 3-meter distance.
- 1.8. Physical distancing by staying a minimum of **two meters** away from each other when they are not on the greens.
- 1.9. The person(s) responsible for opening on any given day will act as a monitor to ensure that members are adhering to the three meter and 2-meter distancing.

### 2. CLUBHOUSE:

- 2.1. The clubhouse will be closed to members/bowlers except for appointed members who need to bring out and put away sanitizing supplies, jacks, folding tables, pens, and records pertaining to COVID 19 protocols.
- 2.2. All items will be sanitized before and after use.

### **3. LOCKER AND BOWLS ROOMS:**

- 3.1. Not applicable, they are within the clubhouse.

### **4. EQUIPMENT ROOM/SHED:**

- 4.1. Bowling - Access limited to one person for the purpose of removing/replacing pushers.
- 4.2. Green and Grounds maintenance – access limited to one person for the purpose of removing/replacing equipment related to the task at hand.
- 4.3. The equipment room will be equipped with its own Sanitizing supplies.

### **5. ON THE GREENS:**

- 5.1. If bowlers are feeling unwell, regardless of the symptoms, they are to stay home.
- 5.2. Designated time slots will be set up for all bowling. There will be an appointment system and NO bowlers are to be at the facility unless they have an appointment. Bowlers are to arrive no more than (15) minutes before start time. Bowlers must vacate the premises immediately after practice/training. There will be no overlap of bowlers on any rink.
- 5.3. Booking times will allow thirty (30) minutes between appointments which will provide time for sanitizing and the bowlers exiting the grounds.
- 5.4. A copy of the appointment schedule will be maintained by the club in case of a suspected outbreak at the club.
- 5.5. Maximum number of Bowlers is 16, plus 2 volunteers for a maximum number of people 18. No spectators.
- 5.6. Instead of a mat we will use a chalk line at the 2-meter mark.
- 5.7. One bowler at each end of the Green will be designated to set the Jack or roll the Jack. No other bowlers will handle the jack.
- 5.8. There will be a Pusher at each end of the Rink. Each Pusher will be handled by only 1 bowler.
- 5.9. Scoreboards will not be used. Equipment on the greens will not be shared.
- 5.10. Bowlers are not to visit with other people. Bowlers are to stay on their assigned rink and maintain physical distancing.
- 5.11. Bowlers will not bring visitors with them to the club.
- 5.12. Bowlers may not access closed spaces or equipment. This includes benches.

5.13. Bowlers will bring their own water.

5.14. Bowlers will take home their own waste material.

## **6. BOWLS ACTIVITIES:**

6.1. No handshakes, fist bumps, high fives or any other forms of direct physical touching allowed.

6.2. Each rink used will have ready access to sanitizer products.

6.3. All Benches will be off limits. It is recommended that bowlers put on their bowling shoes before entering the property.

6.4. All bowlers must maintain 10 feet/3-meter physical distancing when on the greens.

6.5. Games: singles, pairs, cutthroat, allowed. Triples not allowed.

6.6. maximum playing time allowed is 2 hours.

6.7. Measuring of shots -- if deemed necessary -- will be by one bowler only using a personal tape.

6.8. Only every alternate rink will be used on the greens. This means a maximum of four rinks in use at any one time.

6.9. There will be a maximum of four bowlers allowed on each rink.

## **7. MEDICAL:**

7.1. If after you leave the greens and at any time after you have been at the club you feel unwell, you are to inform one of the Club President, Vice-President, Secretary or Treasurer.

7.2. It is every bowler's responsibility to help and ensure the safety of all and to make a timely report to a member of your club's Executive Committee.

7.3. In the event of a suspected case or outbreak of influenza-like-illness, the club will discuss the outbreak with the Fraser Health Authority.

## **8. COACHING:**

8.1. Coaching will take place with no more than 3 bowlers.

- 8.2. The coaches and bowlers will practice physical distancing of three meters when on the greens, and two meters when off the greens.
- 8.3. The Coach will ensure that all coaching aids are sanitized before and after each use.

## **9. GREENS MAINTENANCE:**

- 9.1. Cleaning the green and cutting the lawn will be done when no bowlers are present.
- 9.2. A maximum of 2-person teams will work on each green.
- 9.3. Mowers, Vacuums, Brushes and other used equipment (for example, hand carts) will be wiped down with antivirus solution prior to being used.
- 9.4. Personnel will be responsible for providing their own PPE. Extra gloves will be available on-site, if required.
- 9.5. Personnel will be responsible for always maintaining physical distancing while on site.
- 9.6. Bacterial solution (minimum 70% alcohol) for wiping down hands will be available on site.
- 9.7. All adjustments to machines will be done by the Greenskeeper (or designate) as required.
- 9.8. Maintenance personnel will depart the club as soon as possible following completion of their tasks.

## APPENDIX C: CHART FOR DILUTING BLEACH

### Diluting bleach

The directions below use bleach that is 5.25%. For other concentrations please use the [Foodsafe bleach calculator](#).

Bleach solutions may be used in spray bottles or wiped onto surfaces and other items. Bleach and water mixtures are effective for 24 hours so only make as much as you need daily.

BCCDC - Recommended bleach, water ratios and cleaning times needed for COVID-19 disinfecting.

Recommended bleach, water ratios, and cleaning times needed for COVID-19 disinfecting	High touch and heavily soiled areas (appropriate for households with illness)	All other surfaces	Food contact surfaces
Example areas and surfaces	Toilets, light switches, door knobs, cell phone, TV remotes, bathroom faucets	Tables, counters, floors, chairs, cribs	Any surface or equipment that contacts food
Bleach concentration in ppm (refers to the % ratio of bleach to water) OR 1 part bleach diluted in ## parts of water	1000 ppm 0.1% (1:49)	500 ppm 0.05% (1:99)	100 ppm 0.01% (1:499)
Time to leave wet, rinsing and drying	Allow 1 minute then rinse with clean water	Allow 5 minutes, no rinse required, let air dry	Allow to air dry, no rinse required

## APPENDIX D: EXAMPLES OF DISINFECTANTS AND SANITIZERS

### Product Guide Examples for Disinfectants and Sanitizers

PRODUCT	DEFINITION	APPLICATION	PROTECTION LEVEL
Lysol Multi-Surface Cleaner	Use full-strength or dilute 250 mL per 4L of warm water apply to surface until thoroughly wet. Wipe with a clean cloth, sponge, or mop. To Sanitize/Disinfect: Pre-clean surface Apply to surface until thoroughly wet. To Sanitize: Leave for 1 minute before wiping. To Disinfect: Leave for 10 minutes before wiping. Rinse all food contact surfaces with water after using the product	Disinfectant that meet Health Canada's, requirements for emerging viral pathogens. These authorized disinfectants may be used against SARS-CoV-2	Advanced disinfectant and sanitizer for Hard surfaces
Clorox Bleach (6%) solution	100/1 dilution of sodium hypochlorite solution with water used to disinfect surfaces, 10mL bleach to 1 Litre of water. Minimum contact time of 10 minutes in a single application. Air dry.	Recommended by the BCCDC for disinfecting non-pours surfaces	General use disinfectant and sanitizer for Hard surfaces
Ecolab Neutral Disinfectant cleaner	Use 3.9 mL per liter of water for a minimum contact time of 10 minutes in a single application. Can be applied with a mop, sponge, cloth, coarse spray or by soaking. The recommended use solution is prepared fresh for each use then discarded. Air Dry.	Approved for use against the coronavirus disinfecting non-pours surfaces	Advanced disinfectant and sanitizer for Hard surfaces, low acidity
Disinfecting Wet Wipes 70% Alcohol	To sanitize / disinfect: Pre-clean surface. Use 70% alcohol based fresh wipes to thoroughly wet surface. To sanitize: Allow surface to remain wet for 10 seconds. Air Dry.	Single use isopropyl alcohol wet wipes, disposable	Safe to use on electronics including Smartphones, Tablets and POS equipment
Touch Free Hand Sanitizer	Minimum 70% alcohol hand sanitizer solution, rub hands together until dry.	To clean hands if handwashing is not available	General use to kill bacteria and viruses
