Register to Play: players **MUST** use SignUpGenius to book a court and play on the Silveridge RV Park pickleball courts for all sessions except round robin play and Club All Play. **This requirement applies to members and non-members of the Club**, which is essential to ensure social distancing is followed and avoiding larger congregations of players. **At this time outside groups cannot play pickleball at Silveridge per Park rules.**

Court Reservation (CR): a court reservation can be used by 2 people who want to play as singles on 1 court. The individual reserving the court must keep a record of the first and last name of the other players on their court for contact tracing purposes.

Arrange Own Game: for club members only. Use SUG to book a court to play with other players – maximum of 6 players per court. If a player doesn't register, they must give up the court to someone who has a reservation.

Club All Play: open to all Club members. (Note: see our Club's recommendation mentioned above regarding doubles play). At this time, no court reservation is required for Club All Play.

Friday Night Social: open to all Club members of all skill levels. (Note: see our Club's recommendation regarding doubles play). Bring your lawn chair, beverage and food (do not share food or drinks) and maintain the 6 feet rule while socializing safely with others.

Mixed Doubles: consists of one male and one female on each team. You partner with the same person all evening but play different couples each game. Players must register on SUG to play.

Open Play: for pickleball players who are not Club members. Club members are also welcome to reserve court time during open play sessions. If a player doesn't register, they must give up the court to someone who has a reservation.

Doubles Play: Silveridge Pickleball Club (Club) strongly recommends you establish a small group (2-10) of players, i.e. a "trusted circle", who you believe are adhering to responsible social distancing and virus protection practices on and off the court. Then, whenever you play, you always partner with someone from your trusted circle. You may play against opponents outside your trusted circle if you wish. However, the Club recommends that you don't partner with players outside your trusted circle.

Not in a trusted circle yet? email your name and skill level to silveridgepickleball@gmail.com and we will assist you in establishing your trusted circle.

Unused Courts: in the event one or more courts are not being used for a scheduled Club event or session, Club members are permitted to play on the unused court(s).
