

## BECOME A VIRTUAL VOLUNTEER

*Connect with our clients through various volunteer projects*

**Hygiene Kit Project:** We are in need of hygiene kits to give to clients in our Emergency Shelter and for our Outreach Team to distribute to individuals on the street.

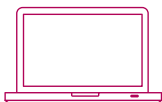

Make hygiene kits by purchasing hygiene materials and assembling them into gallon sized Ziploc bags. Hygiene kits include various travel sized toiletries such as: shampoo, conditioner, lotion, body wash, toothpaste and toothbrushes (can be full sized), combs, chapstick, hand sanitizer, masks etc.

**Brown Bag Lunch Program:** Put together brown bag lunches for clients in the shelter and individuals on the streets. Our Outreach Team goes out every day and will take brown bag lunches to those in need. Lunches can include peanut butter and jelly sandwiches, fruit, chips, water, etc.

**Homemade Mask Project:** Our staff are essential workers on the front lines of this crisis, putting their own well-being on the line to help others. Every day we work hard to keep them safe and healthy. Help us by making face masks for our staff and clients.

**Data Entry:** Support the development team by providing administrative and data entry support. Requires long term commitment.

Let us know you want to volunteer with us by signing up [here](#)  
Simply scan the QR code with your smartphone camera or click [here](#)

The Virtual Volunteer Program was created in response to COVID-19, as a way to keep our volunteers engaged and connected to Ascencia.

*If you would like more information or would like to sign up to volunteer for any of these projects please fill out our volunteer application [here](#) or contact Habon Nur at [hnur@ascenciaca.org](mailto:hnur@ascenciaca.org).*
