## COVID-19 / Guidelines

**Updated on May 21, 2021**  
**100% occupancy is allowed**

At all times, the safety of our clergy, parishioners and guests remains especially important to us. And so, we ask for your full cooperation with adhering to these COVID-19 precautions:

- All who have symptoms or may have been exposed to COVID-19 must stay home.
- All who have traveled internationally or to a highly impacted area within the United States of America within the last 7 days must self-quarantine at home.
- Although there are no occupancy restrictions, we ask everyone to make reservations using our online reservation system. Physicians recommend this for the sake of contact tracing. Make your reservations [here](#).
- Wearing face masks is required. This is mandated by Baltimore City. Face masks must cover nose and mouth at all times.
- The downstairs hall is also open for attendance in order to avoid overcrowding.
- At the front door, we will take your temperature with a touchless thermometer. If your temperature is above 100.4°F, you will be asked to leave.
- We will maintain good hygiene by cleaning/disinfecting all frequently touched surfaces.
- Small prosphoras will be available for commemorations. Start date and new procedure will be announced soon.
- Commemoration lists may be submitted in person at the candlestand or online. Online requests must be submitted by 10:00 PM Saturday. [Click here](#).
- Moderate social distancing is encouraged while in church and in the hall.
- Choir is limited to the same five singers. However, rehearsals for all will soon begin.
- The church will be open only for Divine Services. Coffee hours are still suspended.
- General Confession will be offered 30 minutes before the start of each Divine Liturgy.
- Panikhidas and molebens will be served upon request.
