Color coded walk lists for Hot Blocks with Voters & USPS resident names & addresses. Does the USPS name help with *Knocking All Doors, Almost* (KADA)?

KADA Goals:

- 1. Engage Democrats, provide helpful information, mobilize every DEM leaning eligible voter at each address: register to vote and vote from home.
- 2. At addresses with no registered voters, NPAs or Rs who did not vote last Nov: assess lean. If Dem leaning re-register and/or enroll to VFH..
- 3. Record data on:
 - a. VOTERS: moved/passed/no longer at this address
 - b. ADDRESSES: Not Home, Inaccessible, Snowbird, Refused, Skipped, Spanish, Creole, Dog, Gate, etc.

Color Codes:

Democrat – Thanx for voting last November!
Protect your right to vote from home. Sign the Vote by Mail slip!
Assess Lean. If DD D, register DEM &/or enroll to vote from home
If DD D, enroll to VFH; register to update address, party, signature
Skip: Republican voted last Nov. Not likely this person moved since Nov.

Please record results for each ADDRESS & Each Voter. Blank lines are for doors not listed. Mark columns:

A. At home: $\sqrt{1} = Yes$

If not, code: NH= Not at Home, MV = Moved, PS = passed, Ref = Refused, IN=Inaccessible, Sp= Spanish, CR=Creole, Dog, Gate, etc.

- B. Lean: DD = strong DEM, D = DEM, U = uncertain,, R= Rep., RR= Ranting Republican. If DD or D continue, else good bye.
- C. $\sqrt{1}$ = Yes. This person signed and dated the voter registration form
- D. $\sqrt{}$ = Yes. This person signed and dated the vote by mail slip
- E. $\sqrt{1}$ = Yes. This person volunteered to help the party (Comment!)

Ask for others who need to register. A person not listed with an age is not registered to vote at this address. If the person leans DEM, register & enroll to vote from home! If you are told an absent person needs to register, leave blank VR+VFH forms with a blue post-paid envelope for mailing directly to the SOE. Place signed forms in the manila envelope to be checked at the end of the walk. Enjoy! Bob McCaa mccaa_robert@hotmail.com 952-334-7867
